CAREER OBJECTIVE: Electrical and Electronics Engineering student with strong problem-solving skills and interest in Java programming. Skilled in basics of electronics, creative thinking, and able to work on both electronics and software projects. Positive attitude with a willingness to learn and grow in the tech field.

PERSONAL TRAITS: Problem-Solving, Team Management, Communication, Leadership, Critical Thinking, Adaptability.

EDUCATION:

- B.E- ELECTRICAL AND ELECTRONICS ENGINEERING** 2022–2026
Nandha Engineering College, Erode (Autonomous) | **CGPA:** 9.59 (Up to 5th Semester)
- HSC** - SRV Girls Higher Secondary School, Rasipuram. | 82.8% | 497/600 2021–2022
- SSLC** -SRV Girls Higher Secondary School, Rasipuram. | 80.4% | 402/500 2019–2020

TECHNICAL SKILLS:

- Programming Skills:** JAVA, Python(basics), MySQL, Design principles and Patterns(basics).
- Area of Interest:** Software Development.

POSITION OF RESPONSIBILITIES:

- Served as the **School Communication Secretary** for three consecutive years.
- Event Management Coordinator** of the National Level Symposium "SYNECTICS' 24" & "SYNECTICS' 25" at Nandha Engineering College (2023-2024) & (2024-2025).

PROJECTS:

- AUTOMATED SOLAR TRACKING SYSTEM:** An Automated Solar Tracking System automatically moves solar panels to face the sun throughout the day using sensors and motors, increasing energy generation efficiency compared to fixed panels.
- PROTECTING BANANA TREE USING SOLAR:** A Banana Tree Protection System using Arduino detects heavy wind using the device called anemometer and hence the tree will be protected.

INTERNSHIP: Completed a 14-Days INTERNSHIP on **EMBEDDED** at **Nxt gen technologies** in Erode.

An **Embedded Internship** provides practical experience in designing and programming hardware-based systems using microcontrollers, sensors, and embedded software for real-world applications.

NPTEL: INTRODUCTION TO INTERNET OF THINGS.

ACHIEVEMENT:

- Won 3rd prize in project presentation in the topic (protecting banana tree) held at our college symposium.
- Won 2nd prize in English speech in "**KAVIGNAR KAMARASAN**" event held during school -District Level.
- Won different prizes in oration competition held at school.

LANGUAGES KNOWN: English, Tamil, Saurashtra.
